Dear Healthcare Provider:

Thank you for your interest in our testing services.

US BioTek Laboratories is licensed to perform high complexity clinical laboratory testing under the applicable laws of each of the states in which we offer our clinical lab testing services and duly certified by COLA under the federal Clinical Laboratory Improvement Amendments (“CLIA”). Under the CLIA regulations and the corresponding laws of the state of Washington, where our laboratory facility is located, we are permitted to perform clinical lab testing only when ordered by an “authorized person” - defined as an individual authorized under State law to order tests or receive test results, or both.

In order for us to assure that we meet this legal requirement, US BioTek Laboratories requires that each new client provides us with the following information and certification:
